Saïfoullah BACARI

Ruby on Rails / REACT JS Developer

PROFILE

After an experience in Finance, I decided to become a developer. I learned essentially Ruby on Rails, HTML, CSS and Javascript at Le Wagon Bootcamp.
I would like to work on a tech product to put my skills to good use in a stimulating environment.

TECHNICAL SKILLS

Front End

HTML, Javascript ES6, React JS,
Bootstrap

Back End

Ruby (RoR), SQL, PostgreSQL

Wireframe

Figma

3rd-party services

(Heroku, Postmark, Cloudinary,
Algolia)
